

*Is God in  
control when  
the world has  
gone mad?*

When Lina is played as a  
pawn, she is forced to  
marry a commoner.

But her lowly husband is  
not what he appears.

*LOVE  
is the dance  
of the souls,  
minds and  
bodies joining  
together*

*ONE  
Before God  
at marriage  
and yet ever  
growing closer.*

*A bird  
is missing the  
beauty of the  
bog because her  
eyes are on the  
sky.*

*The PAWN  
has  
POWER  
within the  
bounds placed  
for it by the  
Master.*
